Dear Friends:

As Governor, it is my honor to welcome you to the 5<sup>th</sup> Annual Florida Diabetes and Wellness Conference. I hope you are able to learn more about diabetes prevention, treatment and research.

As Governor and a Father of two children with a third on the way, I am committed to ensuring the health and safety of our communities. That is why my administration is working hard every day to keep healthcare costs low and provide Florida families with the tools they need to take control of their medical expenses. My administration will always empower Florida families to overcome the health challenges they face.

Best wishes for a successful conference.

Sincerely,
